

# Classroom Support

## About Us...

Classroom Support Services provides real-time classroom assistance for faculty experiencing any high-tech or low-tech equipment difficulties.

We also maintain and update equipment; arrange for replacement of items such as broken desks; and maintain the inventory of classroom locations, capacity, and contents.

## If you Encounter Difficulties in Your Classroom...

Call 7-3100 and choose option 3 for Classroom Support. If you have an issue that prevents the normal continuation of your class, we will make every effort to arrive **within ten minutes** to help resolve the problem.

When things go wrong,  
we can help

## We're there For You...
