

# Provisioning a Course for Panopto 4.0 with Moodle 2

1. Open an Internet browser and go to <https://moodle2.uncc.edu>
2. Log in to Moodle 2 with your NinerNet credentials

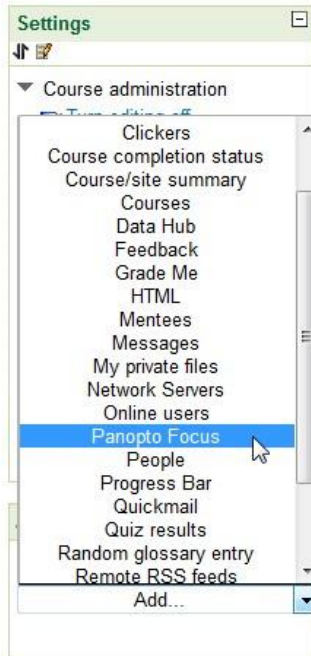

3. Select the course from the **Navigation** block to which you want to add the Panopto Focus block (adding the Panopto Focus block will allow the content that you record to automatically appear on your Moodle 2 class page)

4. To add the Panopto Focus block to your Moodle 2 page you will need to click **Turn editing on** in the upper right hand corner.

5. On the left side of the screen, in the **Add a block** section, click the **Add...** drop down list and select **Panopto Focus**.

6. In the Panopto Focus block, click the gear icon for a drop down menu to appear. Then select **Configure Panopto Focus block**.

7. Now click the **Add the course to Panopto (re-add to sync user lists)** link

## Configuring a Panopto Focus block

Select the Panopto Focus course to display in this block.——

[Add this course to Panopto \(re-add to sync user lists\)](#)

-- OR --

Select an existing course:

8. When the next page loads click **Back to config** and then click **Save changes**
